

The Alumni Patio

In 1999 the Alumni Patio was installed in front of the Academic Arts Building. It is a large semicircle of bricks, set into the floor of the concrete amphitheatre. More than 350 of the bricks in the patio have been inscribed with the names of alumni who wished to create a permanent record of their years at WCC.

You, too can have a brick inscribed with your name and installed in the Alumni Patio. A donation of \$100 will cover the cost of engraving and installing the brick, with the balance going to the Foundation's scholarship fund.

Placing your name in the Alumni Patio creates a lasting memory of your years at WCC, and your generosity will enable many deserving students to follow in your footsteps. To request your personalized brick simply print out the form below, fill in your information, and mail it to the Alumni Office.
